Subject: Resignation Announcement

I am writing today to announce my voluntary resignation as the Nevada State Apprenticeship Director, effective close of business July 22, 2022. I made this decision a few weeks ago and informed the State that this decision was best for me and my family.

It has been the honor of a lifetime to serve the citizens of our great State of Nevada. I have enjoyed working with you, the State Apprenticeship Council members and all our apprenticeship programs and partners over the past three years.

The work we have done together has changed the lives of thousands of Nevada's families for the better, that is something that is very humbling and should not be taken lightly. I am also proud of all the hard work we have done to preserve and protect the gold standard of workforce development—**Registered Apprenticeship**. The future is bright!

I wish all of you nothing but the best.

Thank you again for everything!
