Hello Jean,

No, I just wanted to confirm that the changes were only to the Appendix A's.

Hi Toni,

We have not updated the main standards. We were interested in only tackling each programs section at the moment. So we intended to keep the main part of the standards as they are now.

Is it an issue to only do each occupations section vs the main part?

Good afternoon Jean,

I am putting together the agenda for February and realized while I have all the summaries for the changes you will be making, I do not have the full set of updated standards. Can I please get those so I can send along to the Council? Thank you!
