

Agreement by and between the Greater Sacramento Chapter, Reno Division of the National Electrical Contractors Association (NECA) and Local Union #401, IBEW.

Electrical employees employed under the terms of this Agreement shall do all electrical construction, installation, or erection work including fabrication or prefabrication of boxes, brackets, bends and nipples and all electrical maintenance thereon including the final running tests. This shall include the installation and maintenance of temporary wiring and the installation of all electrical lighting, heat and power equipment, installation of all raceway systems, including underground conduits and all supports, underground utility conduits, photovoltaic power generation systems, wind power generation systems and geothermal power generating systems. Further all salvage of electrical work shall be included. This section shall not apply to the purchase of catalog items which are available to the contractors in the industry. This section shall not be applied or interpreted in any manner contrary to applicable law.
