The employment and training of the Apprentice in a skilled occupation. NRS 610.020, 5 and NRS 610.144,3(a)

These Southern Nevada Carpenters and Affiliated Trades Joint Apprenticeship and Training Committee Apprenticeship Standards have as their objective, the training of MILLWRIGHT skilled in all phases of the industry. This recognition has resulted in the development of these Standards of Apprenticeship. They were developed in accordance with the basic standards recommended by the U.S. Department of Labor, Office of Apprenticeship, and Nevada State Apprenticeship Council as a basis from which the Sponsor can work to establish an apprenticeship training program that meets the particular needs of the area.

Before an apprentice is advanced to the next segment of training or to journey-worker status, the JATC will evaluate all progress to determine whether advancement has been earned by satisfactory performance in their OJL and in related instruction courses. In determining whether satisfactory progress has been made, the JATC will be guided by the work experience and related instruction records and reports.

The progressive wage schedule will be an increasing percentage of the journey-worker wage rate as established in the respective CBA. Some registration agencies require a percentage of the journey-worker rate while others require and actual wage rate. Where such experience warrants, the JATC will place the apprentice in the appropriate period with commensurate wages as determined by the JATC. Such advanced credit and standing shall be subject to review prior to advancement beyond the probationary period.

1. The JATC will use consistent and equal ways and means for measuring and evaluating individuals to determine how much credit to award, for both OJL and related training.

2. The JATC will award as much credit as possible based on an equitable, nondiscriminatory evaluation of both OJL and related instruction. Those awarded credit will be assigned to the appropriate pay period classification. The granting of advanced standing or credit for previously acquired experience, training, or skills shall be applied equally to all applicants and measured against the work processes and related instruction, with commensurate wages for any progression step so granted.

Advanced standing is subject to review throughout the probationary period. During this time, OJL and classroom performance will be evaluated to determine if any readjustment concerning OJL or related training status is warranted, including reevaluation and reassignment of apprenticeship period and level of related instruction, as the JATC determines.

Apprentice applicants seeking credit for previous experience gained outside the supervision of the JATC must submit the request at the time of application and furnish such records, affidavits, and other documentation to substantiate the claim. Applicants requesting such credit who are selected into the apprenticeship program will start at the beginning wage rate. The request for credit will be evaluated and a determination made by the JATC.

An apprentice granted credit will be advanced to the wage rate designated for the period to which such credit accrues. The Registration Agency will be advised of any credit granted and the wage rate to which the apprentice is advanced.

The granting of advanced standing will be uniformly applied to all apprentices.

SECTION XIII - WORK EXPERIENCE - Title 29 CFR 29.5(b)(3) and 30.8

Apprentices “WILL NOT” be paid for hours spent attending related instruction classes.

If applicable, the JATC will inform each apprentice of the availability of college credit through the applicable community college.

Any apprentice who is absent from related instruction classes, unless officially excused, will satisfactorily complete all course work missed before being advanced to the next period of training. In cases of failure of an apprentice to fulfill the obligations regarding related instruction (or OJT) without due cause, the JATC will take appropriate disciplinary action and may terminate the Apprenticeship Agreement after due notice to the apprentice and opportunity for corrective action.

To the extent possible, related instruction will be closely correlated with the practical experience and training received on-the-job. The JATC will monitor and document the apprentice’s progress in related instruction classes.

The JATC will secure competent instructors whose knowledge, experience, and ability to teach will be carefully examined and monitored. An instructor shall:

i. Meet the State Department’s requirement for a vocational-technical instructor in the State of registration, or be a subject matter expert, which is an individual such as a journey-worker who is recognized within an industry as having expertise in a specific occupation; and

The apprentice will authorize an effective release of their completed related instruction records from the local school authorities to the JATC. The record cards and all data, written records of progress evaluations, corrective and final actions pertaining to the apprenticeship, will be maintained by and will be the property of the JATC. This record will be included in each apprentice’s record file maintained by the JATC.

Before each period of advancement, or at any other time when conditions warrant, the JATC will perform a periodic review to evaluate the apprentice’s record to determine whether he/she has made satisfactory progress in RTI and OJT. If an apprentice’s related instruction or on-the-job progress is found to be unsatisfactory, the JATC may determine whether the apprentice will continue in a probationary status, or require the apprentice to repeat a process or series of processes before advancing to the next wage classification. In such cases, the JATC will initiate a performance improvement plan with the apprentice.

Should it be found that the apprentice does not have the ability or desire to continue the training to become a journey-worker, the JATC will, after the apprentice has been given adequate assistance and opportunity for corrective action, terminate the Apprenticeship Agreement.

SECTION I - INTRODUCTION

The JATC enters this Affirmative Action Plan (AAP) with good faith for the purpose of promoting equality of opportunity into its Registered Apprenticeship Program. The JATC seeks to increase the recruitment of qualified women and/or minorities for possible selection into the apprenticeship program in the event women and/or minorities are underutilized in the apprenticeship program. The JATC hereby adopts the following nondiscriminatory pledge and the AAP.

This AAP is a supplement to the Apprenticeship Standards. Any changes made by the JATC will become part of this written AAP, once approved by the Registration Agency.

SECTION II - EQUAL OPPORTUNITY PLEDGE

The JATC commits to the following Equal Opportunity Pledge:

"The recruitment, selection, employment, and training of apprentices during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, sex, sexual orientation, age, disability, or any other classification protected under State and Federal laws. The Sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30" and all regulation on equal opportunity of employment in the State of Nevada.

SECTION III - UTILIZATION AND ANALYSIS, GOALS AND TIMETABLES

In order to allow positive recruitment and full utilization of minorities and women in the apprenticeship program, the JATC pledges to identify and analyze outreach efforts under Section IV which will be undertaken. The purpose of the analysis is to determine the minority and women’s labor force in the JATC's labor market area. (See attached Affirmative Action Plan Workforce Analysis Worksheet)

SECTION IV - OUTREACH AND POSITIVE RECRUITMENT

The JATC’s AAP includes the following “checked” outreach and positive recruitment efforts that would reasonably be expected to increase minority and women’s participation in apprenticeship by expanding the opportunity of minorities and women to become eligible for apprenticeship selection. Once those efforts have been checked, the JATC will set forth the specific steps they intend to take under each identified effort. The JATC will identify a significant number of activities in order to enable it to meet its obligation under Title 29, CFR. part 30.4(c).

Appendix C - 2
A. X Applications will be accepted throughout the year, on dates and times specified, and the program will regularly disseminate the information not less than twice each year. Dissemination information will be given to the following agencies/organizations:
- Registration Agency
- Women’s Organizations/Centers
- Local Schools
- Employment Service Centers
- One Stop Centers
- Vocational Education Schools
- Other Organizations/Centers (which can effectively reach minorities and women)
- Newspapers (which are circulated in the minority community and among women)

The announcement will include the nature of the apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship applications, and the JATC’s equal opportunity policy. The period for accepting applications as established by the JATC is: throughout the year on dates and times specified.

B. X Participation in annual workshops conducted by employment service agencies for the purpose of familiarizing school, employment service and other appropriate personnel with the apprenticeship program and current opportunities.

C. X Cooperation with school boards and vocational educational systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into the apprenticeship program.

D. X Internal communication of the JATC’s equal opportunity policy should be conducted in such a manner to foster understanding, acceptance, and support among the JATC’s various officers, supervisors, employees, and members, and to encourage such persons to take the necessary action to aid in meeting its obligation under Title 29, CFR part 30 and the Nevada State Plan for EEO.

E. X Engaging in programs such as outreach for the positive recruitment and preparation of potential applicants for apprenticeships; where appropriate and feasible, such programs will provide for pre-testing experience and training. In initiating and conducting these programs, the JATC may be required to work with other JATCs and appropriate community organizations. The JATC will also initiate programs to prepare women and encourage women to enter traditionally male programs.

F. X Encouraging the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or prepare candidates for apprenticeship. The JATC will make appropriate provisions in its AAP to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.
G. X Utilizing journeyworkers to assist in the implementation of affirmative action in the apprenticeship program.

H. X Granting advance standing or credit on the basis of previously acquired experience, training, skills, or aptitude for all applicants equally.

I. X Other appropriate action to ensure that the recruitment, selection, employment, and training of apprentices during their apprenticeship will be without discrimination because of race, color, religion, national origin, sex, or any other classification protected by State or Federal law (e.g., general publication of apprenticeship opportunities and advantages in advertisements, industry reports, articles, etc., use of present minority and women apprentices and journeyworkers as recruiters; career counseling; development of reasonable procedures to ensure employment opportunity, including reporting systems, on-site reviews, briefing sessions).

SECTION V - ANNUAL REVIEW OF AFFIRMATIVE ACTION PLAN

The JATC will make an annual review of its current AAP and its overall effectiveness and institute any revisions or modifications warranted. The review will analyze (independently and collectively) the affirmative action steps taken by the JATC for evaluating the positive impact, as well as the adverse impact in the areas of outreach and recruitment, selection, employment, and training. They will work diligently to identify the cause and affect that result from their affirmative action measures. The JATC will continually monitor these processes in order to identify the need for a new affirmative action effort and/or deletion of ineffective existing activity(ies). All changes to the AAP must be submitted to the Registration Agency for approval. The JATC will continually monitor the participation rates of minorities and women in the apprenticeship program in an effort to identify any type of underutilization. If underutilization exists, corrective action will be immediately implemented. The goals and timetables also will be reviewed periodically as determined by the Registration Agency and updated where necessary.
SECTION VI - OFFICIAL ADOPTION OF AFFIRMATIVE ACTION PLAN

E. All qualified applicants will be placed on an “Eligible Applicant List” following the application review.

F. As part of an alternate selection method, when an applicant’s score reaches twelve points at any time during the eligibility period, and a work opportunity is available, the JATC shall contact the applicant in person, by phone, or written communication (including email when applicable) regarding selection into the program.

Selected applicants must respond to the notice of selection within (48) hours of notice. It will be the responsibility of the applicant to keep the JATC informed of their current mailing address and telephone number. If applicants cannot be reached by telephone, their names will be passed and notice sent to their address by “Certified Mail-Return Receipt Requested” to determine if the applicants are still interested. If no response is received in fifteen (15) working days from the written notice, the applicant’s name will be removed from the list. Only one certified notice will be mailed.
G. Qualified applicants remaining on a preceding eligibility list will automatically be carried forward on the new pool of eligible applicants and slotted in wherever their eligibility score placed them for a period of two (2) years, unless the applicant has been removed from the list by their own written request or following failure to respond to an apprentice opening. Applicants on the list but not selected during the two-year (2) period eligibility period, will be required to reapply.

H. During the two-year (2) period, applicants who feel that their qualifications have improved since their original application may submit documented evidence of such additional experience or training and request reevaluation and eligibility score at the next regular processing cycle.

D. Complaints of discrimination in the apprenticeship program may be filed and processed under Title 29, CFR part 30, the Nevada State Plan for EEO, and the procedures as set forth above.

E. The JATC will provide written notice of their complaint procedure to all applicants for apprenticeship and all apprentices.
Section VI
Maintenance of Records

The JATC will keep adequate records including a summary of the qualifications of each applicant, the basis for evaluation and for selection or rejection of each applicant, the records pertaining to interviews of the applicants, the original application for each applicant, information relative to the operation of the apprenticeship program, including, but not limited to, job assignment, promotion, demotion, layoff, or termination, rates of pay or other forms of compensation or conditions of work, hours including hours of work and, separately, hours of training provided, and any other records pertinent to a determination of compliance with the regulations at Title 29, CFR part 30, as may be required by the U.S. Department of Labor. The records pertaining to individual applicants, selected or rejected, will be maintained in such manner as to permit the identification of minority and women (minority and non-minority) participants.

Each JATC must retain a statement of its Affirmative Action Plan for the prompt achievement of full and equal opportunity in apprenticeship, including all data and analysis made pursuant to the requirements of Title 29, CFR part 30.4. Each JATC also must maintain evidence that its qualification standards have been validated in accordance with the requirements set forth in Title 29, CFR part 30.5(b) and the Nevada State Plan for EEO.

In addition to the above requirements, adequate records will include a brief summary of each interview and the conclusions on each of the specific factors, e.g., motivation, ambition, and willingness to accept direction which are part of the total judgment. Records will be maintained for five (5) years from the date of the last action and made available upon request to the U.S. Department of Labor or other authorized representative.
