The Sponsor / Program Coordinator certifies and assures that it will utilize qualified training personnel in the delivery of the related technical instruction, such as subject matter experts (e.g., journey workers) who are recognized within an industry as having expertise in a specific occupation, and who also have training in teaching techniques and adult learning styles. This may occur before or after the apprenticeship instructor has started to provide the related technical instruction. Further, the Sponsor / Program Coordinator certifies the information above is true and correct.
