Hearing none, Chair Walden called for a motion to approve. Mr. Madison Burnett (SAC Member) seconded. The motion carried.

### 7. **Labor Commissioner's Report – Item 11 on Agenda.**

Shannon Chambers, Nevada Labor Commissioner (Commissioner Chambers), asked the Chair to consider, and Chair Walden granted, the request to take agenda items 9, 10 and 11 out of order. Commissioner Chambers stated that after an audit of programs, we have found no record of SAC approved standards or SAC agenda items for 23 Nevada System of Higher Education (NSHE) affiliated programs. Correspondence was provided to the Chancellor of NSHE and the President of Truckee Meadows Community College (TMCC), and the affiliated programs have been canceled/deregistered and/or removed from RAPIDS. In January 2022, correspondence was sent to additional registered apprenticeship programs notifying them of the requirement to indenture apprentices and the potential for cancellation.

Commissioner Chambers and Director Williams are working with the US DOL on the US Department of Transportation 90-day Trucking Apprenticeship Challenge. The State of Nevada does not have a registered apprenticeship program for trucking and they are working to secure commitments from employers, industry associations, labor partners, DETR and all agencies that touch apprenticeship to take advantage of this opportunity. Commissioner Chambers and Director Williams are also exploring other apprenticeship grant opportunities for the State of Nevada.

8. **Deregistering Inactive Programs – Item 9 on Agenda.**

Chair Walden asked if a representative from Computer Repair Specialists of Nevada was present to speak on their item. Hearing none, a motion to deregister the program was made by Chair Walden and seconded by Vice-Chair Newman. The motion carried.

Chair Walden asked if a representative from Intelligent Technical Solutions was present to speak on their item. Hearing none, a motion to deregister the program was made by Chair Walden and seconded by Mr. Madison Burnett (SAC Member). The motion carried.

Since a letter was received from Stationary Engineers Local 39 JATC, Chair Walden asked if a representative from Local 39 was present. James Anderson, Local 39 representative, was present and requested not to be deregistered/cancelled at this time, due to prospects of new employers and indenturing new apprentices. After a lengthy discussion, Chair Walden made a motion to have the program appear at the May 26, 2022, SAC meeting for a status report on indenturing new apprentices. Vice-Chair Newman seconded. The motion carried. Director Williams stated that this item will be placed on the next SAC meeting agenda in the same manner as this item today.

Chair Walden asked if a representative from The Learning Center was present to speak on their item. Hearing none, a motion to deregister the program was made by Chair Walden and seconded by Mr. Thomas Pfundstein (SAC Member). The motion carried.

Chair Walden asked for a representative from T-Mobile Corporation and heard none. Commissioner Chambers met with the Nevada Attorney General and representatives from T-Mobile to discuss the voluntary deregistration and it was determined that they are welcome to submit new standards at a future date. This item did not require a vote.

10. **Revision of Program Standards/Occupation.**

Jon Yunker, representative Local 135 JATC, presented this item to revise program standards and the occupation name and O\*NET Code from Composite Plastic Fabricator, 47-2131.00, to Insulation

11. **Revision of Program Standards/Occupation.**

Cheryl Olson, representative for NSHE, presented the following occupations to be added to their previously approved standards. For the occupation of Dental Assistant, the SAC had several questions and comments about the proposed work process schedule and wage rates. Ms. Olson agree to make changes to the formulas on work process language and wage rate information.

A motion to approve this item with changes was made by Chair Walden and seconded by Vice-Chair Newman. Mr. Thomas Pfundstein (SAC member) opposed the motion. The motion carried.

Ms. Olson presented the occupation of Tech Support Specialist. The SAC had several questions and comments about clerical discrepancies in the apprentice wage schedule, wages on the employer agreements, and the minimum Related Training Instruction. Ms. Olson agreed to make the changes.

A motion to approve this item with changes was made by Chair Walden and seconded by Vice-Chair Newman. The motion carried.

Ms. Olson presented the occupation of Network Support Specialist. The SAC requested clarification on the O\*NET Code 15-1244.00 for this occupation. Ms. Olson had technical difficulties and was not able to provide the information.
