Re: Response to Possible Similar Program Notice (Supplement to Electrical Joint Apprenticeship and Training Committee of Southern Nevada to Proposed Revision of Program Standards, Occupation, Apprenticeship Agreement, Affirmative Action Plan, Qualifications and Selection Procedures – Southern Nevada Laborers Training Trust – Agenda Item No. 8 – Initial Public Meeting - August 30, 2022) – Continued Agenda Item – November 29, 2022 (9:00 a.m.) NSAC Meeting

Dear Ms. Brown and Ms. Woltz,

As you are aware, this office represents the Electrical Joint Apprenticeship and Training Committee of Southern Nevada ("SNE JATC"). On August 26, 2022, SNE JATC (through this office) submitted to the Nevada State Apprenticeship Council ("NSAC") its objections ("Objections") to the Revision of Program Standards, Occupation, Apprenticeship Agreement, Affirmative Action Plan, Qualifications and Selection Procedures for a "Solar Installer" submitted by the Southern Nevada Laborers Training Trust ("Laborers JATC Revision of Standards"). SNE JATC's Objections were considered by NSAC in its Hearing on Item No. 8 at the Public Meeting on August 30, 2022 ("Initial Meeting").

SNE JATC is in receipt of Ms. Woltz letter dated September 2, 2022, requesting a response by October 3, 2022 regarding whether the Laborers JATC Revision of Standards – Solar Installer is a "parallel" program to the SNE JATC program ("Parallel Program Response Request").

This letter will constitute the **SNE JATC Response** and will **confirm** its assessment that the Laborers JATC Revision of Standards – Solar Installer **program is "parallel"** to one or more of the NSAC approved SNE JATC Standards, including, but not limited to, the **Wireman** Apprenticeship and Training Standards and portions of the **Installer-Telecommunication Technician** program. See NAC 610.355 (program with similar objectives for a similar job).

This communication incorporates by reference the prior Objections filed by SNE JATC and may be supplemented by additional Objections to the Laborers JATC Revision of Standards – Solar Installer program prior to the scheduled November 29, 2022 NSAC Meeting.

If you have any questions, please contact this office.

Respectfully submitted,

Christensen James & Martin, Chtd.
