Committee Members,

I am writing to inform you that I proposed updates to the Standard for the Northern Thirteen Counties.

The first change is to the percentage of pay and apprentice will be paid on page 9. The percentage will be increase from 60% to 65% for a first period apprentice. This change reflects the collective bargaining agreement that has been ratified.

The second update is to the address for the State apprenticeship council address on page 38.

Sincerely,

Brian Prather
Administrator
