Re: Response of Electrical Joint Apprenticeship and Training Committee of Southern Nevada to Possible Similar Program Notice (Proposed Standards for Registered Apprenticeship Program of Northern Nevada IEC) - NSAC Public Meeting on May 25, 2023 (9:00 a.m.)

Dear Ms. Giddens,

As you are aware, this office represents the Electrical Joint Apprenticeship and Training Committee of Southern Nevada ("SNE JATC"). On April 6, 2023, SNE JATC received your email regarding proposed Standards for a Registered Apprenticeship Program ("Proposed Standards" or "Proposed Program") submitted to the Nevada State Apprenticeship Council ("NSAC") by Northern Nevada IEC ("IEC").

SNE JATC has assessed the Proposed Standards and determined that the IEC Program is "**parallel**" to the SNE JATC (Wireman) Standards, previously approved by NSAC. It is the intention of SNE JATC to file formal objections ("Objections") to the IEC Standards by the May 17, 2023 deadline and to appear at the NSAC Public Hearing on May 25, 2023 ("NSAC Meeting").

This letter will constitute SNE JATC's (preliminary) **Response** and **confirm** its **Objections** to the Proposed IEC Standards as "**parallel**" to one or more of the NSAC approved SNE JATC Standards, including the **Wireman** Apprenticeship and Training Standards. See NAC 610.355 (program with similar objectives for a similar job). This communication will be supplemented by SNE JATC's Objections. If you have any questions, please contact this me.

Respectfully submitted,

Christensen James & Martin, Chtd.
