FOREWORD

These University of Nevada, Las Vegas (UNLV) apprenticeship standards have as their objective the training of numerous apprenticeable occupations skilled in all phases of various industries. University of Nevada, Las Vegas (UNLV) acting as sponsor, recognize that to accomplish this, there must be well-developed on-the-job learning combined with related instruction.

Pursuant to Title 29, CFR part 29.4 and NRS 610.202 these occupations are apprenticeable because each meet the following criteria:

- (a) Involve skills that are customarily learned in a practical way through a structured, systematic program of on-the-job supervised learning.
- (b) Be clearly identified and commonly recognized throughout an industry.
- (c) Involve the progressive attainment of manual, mechanical or technical skills and knowledge in accordance with the industry standard for the occupation. (1) If the program uses a time-based approach, requires the completion of not less than 2,000 hours of [work experience,] on-the-job learning, consistent with training requirements as established by practice in the trade; (2) If the program uses a competency-based approach, specifies the skills that must be demonstrated by an apprentice and addresses how on-the-job learning will be integrated into the program; or (3) If the program uses a hybrid approach, specifies the skills that must be acquired and the minimum number of hours of on-the-job learning that must be completed by an apprentice.
- (d) Require related instruction to supplement the on-the-job learning.

This recognition has resulted in the development of these standards of apprenticeship. They were developed in accordance with the basic standards recommended by the U.S. Department of Labor, Office of Apprenticeship, as well as the Nevada Labor Commissioner, and the Nevada State Apprenticeship Council, as a basis from which the sponsor can work to establish an apprenticeship training program that meets the needs of the area.

SECTION 1 – PROGRAM ADMINISTRATION

Program sponsors are responsible for the administration of all aspects of a Registered Apprenticeship program. Sponsor means any person, association, committee, or organization operating an apprenticeship program and in whose name the program is (or is to be) registered or approved. Sponsors may establish a Joint Apprenticeship and Training Committee (JATC) to carry out the responsibilities and duties required of a Program Sponsor as described in these Standards of Apprenticeship. A list of the membership and the areas of expertise they represent must be provided to the Registration Agency. The sponsor **Will** administer the program with the services of an ATC.

Responsibilities of the Sponsor or JATC (if applicable)

- A. Cooperate in the selection of apprentices as outlined in this program.
- B. Ensure that all apprentices are under written apprenticeship agreements.
- C. Ensure in writing an employer agrees to pay the applicable apprenticeship wage and the costs of the training assessed to the apprentice, as defined in Section XIII.
- D. Review and recommend apprenticeship activities in accordance with this program.
- E. Establish the minimum standards of education and experience required of apprentices.
- F. Register the local apprenticeship standards with the Registration Agency.
- G. Hear and resolve all complaints of violations of apprenticeship agreements.
- H. Arrange evaluations of apprentices' progress in manipulative skills and technical knowledge.
- I. Maintain records of all apprentices, showing their education, experience, and progress in learning the occupation.
- J. Certify to the Registration Agency that apprentices have successfully completed their apprenticeship program.
- K. Notify, within 10 days, the Registration Agency of all new apprentices to be registered, credit granted, suspensions for any reason, reinstatements, extensions, completions, and cancellations with explanation of causes.
- L. Supervise all the provisions of the local standards and be responsible, in general, for the successful operation of the standards by performing the duties here listed. Cooperate with public and private agencies, which can be of assistance in obtaining publicity to develop public support of apprenticeship. Keep in contact with all parties concerned, including apprentices, employers, and journey workers.
- M. Provide each apprentice with a copy of these standards, along with any applicable written rules and policies. Require the apprentice to sign an acknowledgment receipt of same. Follow this procedure whenever revisions or modifications are made to the rules and policies.
- N. When notified that an apprentice's related instruction or on-the-job progress is found to be unsatisfactory, the sponsor will determine whether the apprentice should continue in a probationary status and may require the apprentice to repeat a process or series of processes before advancing to the next wage classification. Should it be found during this determination that the apprentice does not have the ability or desire to continue the

training to become a journey worker, the sponsor will, after the apprentice has been given adequate assistance and opportunity for corrective action, terminate the apprenticeship agreement, as provided in NRS 610.180 and 29 CFR § 29.7(h)(1)(2)(i) and (ii).

- O. The employer will provide each registered apprentice with continuous employment sufficient to provide the opportunity for completion of his or her apprenticeship program. If the sponsor is unable to fulfill its training and/or employment obligation in conformance with these standards, the sponsor will, per Section XXI of these standards and with the apprentice's consent, make a good-faith effort to facilitate a transfer of the apprentice to another registered employer for completion of the apprenticeship.

If conditions of business make it necessary to temporarily suspend the period of apprenticeship, apprentices suspended for this reason will be given the opportunity to resume their active apprenticeships before any additional apprentices are employed. The suspension and reinstatement of apprentices shall be done in relation to retention of the most advanced apprentice and in accordance with the company policy for breaks in seniority.

Suggested Structure of the Apprenticeship and Training Committee (ATC) (if applicable)

- A. Members of the ATC will be selected by the groups they represent.
- B. Membership will be composed of an equal number of representatives of the employer(s) and of the employees represented but does not have a bona fide collective bargaining agent(s).

Suggested Administrative Procedures (if applicable)

- A. The ATC will elect a chairperson and a secretary and will determine the time and place of regular meetings. Meetings will be held as frequently as needed to effectively manage the program. Written minutes of the meetings will be kept.
- B. The chairperson and secretary will have the power to vote on all questions affecting the apprenticeship program.
- C. The offices of chairperson and secretary will rotate among members of the ATC.
- D. The ATC will invite a representative from the Office of the Labor Commissioner to serve as a consultant to the committee.
- E. The ATC will notify the Nevada State Apprenticeship Council via the Registration Agency, of any termination or agreement within 10 days.
- F. The ATC will be comprised of an equal number of representatives of management and labor and any public representatives whom they select.

SECTION 2 - EQUAL OPPORTUNITY PLEDGE – NRS 610.144, NAC 610.540 and 29 CFR §§ 29.5(b)(21) and 30.3(b)

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and

The Program Sponsor will take Affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulations, part 30 and Nevada State Plan for EEO. The Program Sponsor shall not discriminate against a qualified individual with a disability because of the disability of such individual. The Program Sponsor will provide reasonable accommodation to individuals as required by federal, state, or local disability law.

SECTION 3 - AFFIRMATIVE ACTION PLAN AND SELECTION PROCEDURES – NAC 610.810 and 29 CFR §§ 29.5(b)(21), 30.4, and 30.5

Sponsors are required to provide a written selection procedure (Appendix D), which will become part of these standards of apprenticeship and those with five or more registered apprentices are required to adopt an Affirmative Action Plan (Appendix C) two years after program registration. However, the Nevada State Apprenticeship Council encourages the development of these two plans for all programs regardless of apprentice numbers.

For programs with fewer than five apprentices, these plans are not required, and the sponsor may continue to select apprentices in conformance with its current human resources and equal employment opportunity hiring policies.

SECTION 5 - APPRENTICESHIP AGREEMENT - NRS 610.150, NRS 610.160 and 29 CFR §§ 29.3(d), 29.3(e), and 29.5(b)(11)

After an applicant for apprenticeship has been selected, but before employment as an apprentice or enrollment in related instruction, the apprentice will be covered by a written apprenticeship agreement (Appendix B) which can be submitted electronically through the Registered Apprenticeship Partners Information Data System (RAPIDS) or its successor, using the Apprentice Electronic Registration process by the sponsor and the apprentice and approved by and registered with the Registration Agency. Such agreement will contain a statement making the terms and conditions of these standards a part of the agreement as though expressly written therein. The sponsor shall provide a copy of the apprenticeship agreement to the apprentice, the Registration Agency, and the employer. An additional copy will be provided to the veteran's state approving agency for those veteran apprentices desiring access to any benefits to which they are entitled.

Prior to signing the apprenticeship agreement, each selected applicant will be given an opportunity to read and review these standards, the sponsor's written rules and policies, and the apprenticeship agreement. The Nevada State Apprenticeship Council, via the Registration Agency will be advised within 10 days of the execution of each apprenticeship agreement and will be given all the information required for registering the apprentice.

SECTION 6 - SUPERVISION OF APPRENTICES AND RATIOS - NRS 610.144 and 29 CFR § 29.5(b)(14) and 29 CFR § 29.5(b)(7)

No apprentice shall work without proper or adequate supervision of the journey worker.

For the purpose of these apprenticeship standards, adequate or proper supervision of the apprentice means the apprentice is always under the supervision of a fully qualified journey worker or supervisor who is responsible for making work assignments, providing on-the-job learning (OJL), and ensuring safety at the worksite.

To supervise an apprentice adequately or properly does not mean the apprentice must be within eyesight or reach of the supervisor, but that the supervisor knows what the apprentice is working on; is readily available to the apprentice; and is making sure the apprentice has the necessary instruction and guidance to perform tasks safely, correctly, and efficiently.

The sponsor shall establish a numeric ratio of apprentices to fully proficient workers (journey workers) consistent with proper supervision, training, safety, continuity of employment. The ratio language must be specific and clearly described as to its application to the jobsite, workforce, department, or plant. The ratio of apprentices to fully proficient workers (journey workers) will be as noted in each Appendix A.

SECTION 7 - TERM OF APPRENTICESHIP – 29 CFR § 29.5(b)(2) NRS 610.144(3)(b)

The term of the occupation will be time-based, hybrid, or competency-based (selection based on the occupation) with an OJL attainment of supplemented by the required hours of related instruction as stated on the Work Process Schedules and Related Instruction Outlines (Appendix A).

The sponsor may utilize a career lattice as a pathway for apprentices to move upward in the organization, which may or may not include interim credential leading to the Certificate of Completion of Apprenticeship or career lattice credential, if applicable.

SECTION 8 - PROBATIONARY PERIOD – NRS 610.150, NRS 610.144, and 29 CFR §§ 29.5(b)(8) and 29.5(b)(20)

Every applicant selected for apprenticeship will serve a probationary period. The probationary period cannot exceed 25 percent of the length of the program or 1 year, whichever is shorter.

During the probationary period, either the apprentice or the sponsor may terminate the apprenticeship agreement, without stated cause, by notifying the other party in writing. The records for each probationary apprentice will be reviewed prior to the end of the probationary period. Records may consist of periodic reports regarding progression made in both the OJL and related instruction, and any disciplinary action taken during the probationary period.

Any probationary apprentice evaluated as satisfactory after a review of the probationary period will be given full credit for the probationary period and continue in the program.

After the probationary period, the apprenticeship agreement may be cancelled at the request of the apprentice or may be suspended or cancelled by the sponsor for reasonable cause after documented due notice to the apprentice and a reasonable opportunity for corrective action. In such cases, the sponsor will provide written notice to the apprentice and to the Nevada State Apprenticeship Council via the Registration Agency of the final action taken.

SECTION 9 - HOURS OF WORK

Apprentices will generally work the same hours as fully proficient workers (journey workers), except that no apprentice will be allowed to work overtime if it interferes with attendance in related instruction classes. Apprentices who do not complete the required hours of OJL during a given segment will have the term of that segment extended until they have accrued the required number of hours of training.

SECTION 10 - APPRENTICE WAGE PROGRESSION – NRS 610.144 and 29 CFR § 29.5(b)(5)

Apprentices will be paid a progressively increasing schedule of wages and fringe benefits during their apprenticeship based on the acquisition of increased skill and competence on the job and in related instruction. Before an apprentice is advanced to the next segment of training or to fully proficient or journey worker status, the sponsor will evaluate all progress to determine whether advancement has been earned by satisfactory performance in OJL and in related instruction courses. In determining whether satisfactory progress has been made, the sponsor will be guided by the work experience and related instruction records and reports.

The progressive wage schedule and fringe benefits **(if applicable)** will be an increasing percentage

of the fully proficient or journey worker wage rate. The percentages that will be applied to the applicable fully proficient or journey worker rate are shown on the attached Work Process Schedules and Related Instruction Outlines (Appendix A). In no case will the starting wages of apprentices be less than that required by any minimum wage law that may be applicable, or 35% of the rate for journey workers/fully competent workers in a non-construction trade, the minimum wage set by the Nevada State Apprenticeship Council, or the minimum reasonable and profitable wage for an apprentice in the construction industry set by the Nevada State Apprenticeship Council.

SECTION 11 - CREDIT FOR PREVIOUS EXPERIENCE – NRS 610.140 and 29 CFR §§ 29.5(b)(12) and 30.4(c)(8)

The sponsor may grant credit toward the term of apprenticeship to new apprentices. Credit will be based on demonstration of previous skills or knowledge equivalent to those identified in these standards.

Apprentice applicants seeking credit for previous experience gained outside the supervision of the sponsor must submit the request at the time of application and furnish such records, affidavits, and other documents to substantiate the claim. An applicant who is a veteran and who wishes to receive consideration for military training and/or experience must submit a DD-214. Applicants requesting credit for previous experience who are selected into the apprenticeship program will start at the beginning wage rate. The request for credit will be evaluated and a determination made by the sponsor during the probationary period, when actual on-the-job and related instruction performance can be examined. Prior to completion of the probationary period, the amount of credit to be awarded will be determined after review of the apprentice's previous work and training/education record and evaluation of the apprentice's performance and demonstrated skill and knowledge during the probationary period.

An apprentice granted credit will be advanced to the wage rate designated for the period to which such credit accrues. The Nevada State Apprenticeship Council, via the Registration Agency, will be advised of any credit granted and the wage rate to which the apprentice is advanced. The granting of advanced standing will be uniformly applied to all apprentices.

SECTION 12 - WORK EXPERIENCE – NRS 610.144 and 29 CFR § 29.5(b)(3)

During the apprenticeship, the apprentice will receive OJL and related instruction in all phases of the occupation necessary to develop the skill and proficiency of a skilled journey worker. The OJL will be under the direction and guidance of the apprentice's supervisor.

SECTION 13 - RELATED INSTRUCTION – NRS 610.144 and 29 CFR § 29.5(b)(4)

Every apprentice is required to participate in coursework related to the job as outlined in Appendix A, with a minimum of 144 hours of related instruction is required for each year of the apprenticeship. Apprentices agree to take such courses as the sponsor deems advisable. The sponsor will secure the instructional aids and equipment it deems necessary to provide quality instruction. Although the apprentice shall not pay for costs of training, the sponsor may require apprentice to pay the costs of his or her books, tools and any license required to work in occupation. In cities, towns, or areas having no vocational schools or other schools that can furnish related instruction, the sponsor may require apprentices to complete the related instruction requirement through electronic media or other instruction approved by the Registration Agency.

Apprentices may or may not be paid for hours spent attending related instruction classes, based on each individual employer acceptance agreement (see Appendix E).

The sponsor will inform each apprentice of the availability of college credit (if applicable).

Any apprentice who is absent from related instruction will satisfactorily complete all coursework missed before being advanced to the next period of training. In cases of failure of an apprentice to fulfill the obligations regarding related instruction without due cause, the sponsor will take appropriate disciplinary action and may terminate the apprenticeship agreement after due notice to the apprentice and opportunity for corrective action.

To the extent possible, related instruction will be closely correlated with the practical experience and training received on the job. The sponsor will monitor and document the apprentice's progress in related instruction classes.

The sponsor will secure competent instructors whose knowledge, experience, and ability to teach will be carefully examined and monitored. The sponsor may require the instructors to attend instructor training to meet the requirements of NRS 610.144 and 29 CFR § 29.5(b)(4)(i)(ii) or state regulations.

If the Nevada State Apprenticeship Council orders the deregistration of the apprenticeship program, the sponsor will notify the apprentice(s) within 10 days of the effective date of the order. This notification will conform to the requirements of NAC 610 and 29 CFR § 29.8.

SECTION 19 - AMENDMENTS AND MODIFICATIONS – NRS 610.150 and 29 CFR § 29.5(b)(18)

These standards may be amended or modified at any time by the sponsor, provided that no amendment or modification adopted will alter any apprenticeship agreement in force at the time without the consent of all parties. Such amendment or modification will be submitted to the Nevada State Apprenticeship Council for approval and registration prior to being placed in effect. A copy of each amendment or modification adopted will be furnished to each apprentice to whom the amendment or modification applies.

SECTION 20 - ADJUSTING DIFFERENCES; COMPLAINT PROCEDURE – NRS 610.180 and 29 CFR § 29.5(b)(22), 29.7(k), and 30.11

SECTION 24 - CONFORMANCE WITH FEDERAL AND STATE LAWS AND REGULATIONS

No Section of these Standards of Apprenticeship shall be construed as permitting violation of any Federal or Nevada State Law or Regulation.

SECTION 25 - DEFINITIONS

APPRENTICE: Any individual employed by the employer meeting the qualifications described in the standards of apprenticeship who has signed an apprenticeship agreement with the local sponsor providing for training and related instruction under these standards and who registers with the Registration Agency.

APPRENTICE ELECTRONIC REGISTRATION (AER/RAPIDS): An electronic tool that allows for instantaneous transmission of apprentice data for more efficient registration of apprentices and provides program sponsors with a faster turnaround on their submissions and access to their apprenticeship program data.

Each apprenticeship agreement must be registered with the Registration Agency.

CERTIFICATE OF COMPLETION OF APPRENTICESHIP: The credential issued by the Registration Agency to those registered apprentices certified and documented as having successfully completed the apprentice training requirements outlined in these standards of apprenticeship.

CERTIFICATE OF TRAINING: A credential that may be issued by the U.S. Department of Labor's Office of Apprenticeship, Nevada Labor Commissioner, or by the Nevada State Apprenticeship Council administrator to those registered apprentices whom the sponsor has certified in writing to the Registration Agency as having successfully met the requirements to receive an interim credential.

SUPERVISOR OF APPRENTICE(S): An individual designated by the program sponsor to supervise or have charge and direction of an apprentice.

2. PROBATIONARY PERIOD AND TERMINATION

The probationary period consists of the first 500 hours of on-the-job training or 90 calendar days, whichever occurs later. Time served during probation counts toward program completion. During the probationary period, either party may terminate the apprenticeship agreement without cause upon written notice to the other party and the

Registration Agency. Following the probationary period, termination shall be for cause only, with progressive discipline procedures and appeal rights as specified in the Standards. The Sponsor will notify the State Apprenticeship Director within 30 days of any completion, cancellation, or suspension.

3. COMPLAINT HANDLER AND PROCEDURES

Designated Complaint Handler: Ji Yoo, UNLV Email: Ji.Yoo@unlv.edu | Phone: (702) 272-0826 Address: 1701 W. Charleston Blvd, Suite 230, Las Vegas, NV 89102

Part C.

Item 4. Definition: The Registered Apprenticeship Partners Information Data System (RAPIDS) encrypts the apprentice's social security number and generates a unique identification number to identify the apprentice. It replaces the social security number to protect the apprentice's privacy.

*The submission of your social security number is requested. The apprentice's social security number will only be used to verify the apprentice's periods of employment and wages for purposes of complying with the Office of Management and Budget related to common measures of the Federal job training and employment programs for measuring performance outcomes and for purposes of the Government Performance and Results Act. The Office of Apprenticeship will use wage records through the Wage Record Interchange System and needs the apprentice's social security number to match this number against the employers' wage records. Also, the apprentice's social security number will be used, if appropriate, for purposes of the Davis Bacon Act of 1931, as amended, U.S. Code Title 40, Sections 276a to 276a-7, and Title 29 CFR 5, to verify and certify to the U.S. Department of Labor, Wage and Hour Division, that you are a registered apprentice to ensure that the employer is complying with the geographic prevailing wage of your occupational classification. Failure to disclose your social security number on this form will not affect your right to be registered as an apprentice. Civil and criminal provisions of the Privacy Act apply to any unlawful disclosure of your social security number, which is prohibited.

The collection and maintenance of the data on ETA-671, Apprentice Registration – Section II Form, is authorized under the National Apprenticeship Act, 29 U.S.C. 50, and CFR 29 Part 29.1. The data is used for apprenticeship program statistical purposes and is maintained, pursuant to the Privacy Act of 1974 (5 U.S.C. 552a.), in a system of records entitled, DOL/ETA-4, Registered Apprenticeship Partners Information Management Data System (RAPIDS) at the U.S. Department of Labor, Office of Apprenticeship. Data may be disclosed to a State Apprenticeship Agency to determine an assessment of skill needs and program information, and in connection with federal litigation or when required by law.

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Voluntary Disability Disclosure

OMB No. 1205-0223

Please check one of the boxes below:

- ☐ YES, I HAVE A DISABILITY (or previously had a disability)
- ☐ NO, I DON'T HAVE A DISABILITY
- ☐ I DON'T WISH TO ANSWER

Your name: _____

Date: _____

Why are you being asked to complete this form?

Because we are a sponsor of a registered apprenticeship program and participate in the National Registered Apprenticeship System that is regulated by the U.S. Department of Labor, we must reach out to, enroll, and provide equal opportunity in apprenticeship to qualified people with disabilities.^[1] To help us learn how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for apprenticeship, any answer you give will be kept private and will not be used against you in any way.

If you already are an apprentice within our registered apprenticeship program, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our apprentices at the time of enrollment, and then remind them yearly, that they may update their information. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?

You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition. Disabilities include, but are not limited to: blindness, deafness, cancer, diabetes, epilepsy, autism, cerebral palsy, HIV/AIDS, schizophrenia, muscular dystrophy, bipolar disorder, major depression, multiple sclerosis (MS), missing limbs or partially missing limbs, post-traumatic stress disorder (PTSD), obsessive compulsive disorder, impairments requiring the use of a wheelchair, intellectual disability (previously called mental retardation).

NEVADA LABOR COMMISSIONER
NEVADA STATE APPRENTICESHIP COUNCIL APPLICATION FOR
CERTIFICATION OF COMPLETION OF APPRENTICESHIP

*(If required please type or print all information, attach additional apprentices on separate sheet)
(This Application is optional, for Sponsor utilizing Electronic Registration)*

Authentication of Requests for Certificate of Completion of Apprenticeship

Where the Office of Apprenticeship is the Registration Agency, issuance of a Certificate of Completion of Apprenticeship to apprentices upon satisfactory completion of the requirements of the apprenticeship program as established in these Standards, the sponsor certifies to the Registration Agency and requests the awarding of a Certificate of Completion of Apprenticeship to the completing apprentice(s). Such requests are completed either electronically using the Register Apprenticeship Partner Information System (RAPIDS) or in writing using with the use of this form from the sponsor to the appropriate field office.

General Guidance

The sponsor will verify that the apprentice has completed all requirements of apprenticeship including a signed copy of transcripts from the sponsor, provider, or sponsor of the related instruction. The field office representative shall have in evidence an electronic or written Application for Certification of Completion of Apprenticeship.

When a large number of apprentices are completing at the same time from the same occupation, one application form from the sponsor can be used with an attached list of pertinent information for the completing apprentices. When the sponsor has more than one occupation or more than one employer, the sponsor should complete separate forms for each occupation and employer, follow the procedure above.

The occupation identified, must be the occupation title as listed in the most current List of Officially Recognized Apprenticeable Occupations. For sponsors who use a slightly different occupational title, OA staff may use the sponsor's title as long as the officially recognized occupational title is included in parenthesis under the sponsor's occupational title. Please see attached "sample" for reference.

The term "journeyman, journeyworker, journeyperson, etc." should not be included in the occupational title. These terms are used to describe a level of competency rather than an occupational title.

In rare instances where a program sponsor may utilize such a term above in their occupational title and that terminology is consistently used within their organization and training materials, OA staff may use that terminology on the sponsor's occupational title as long as the officially recognized occupational title is listed in parenthesis under the sponsor's title. The practice of using a level of competency in the occupational title should be discouraged when possible.

The sponsor's name on the Certificate of Completion of Apprenticeship shall be as it is registered and approved in their apprenticeship standards.

The date completed shall be the date of completion as indicated on the request form.

Issuance of Replacement OA Certificate of Completion of Apprenticeship

Replacement certificate requests shall be verified with undeniable proof that an original certificate was either issued or requested by the sponsor. This shall be verified through OA's records or the program sponsor's records. In the event a field office has no proof, yet a program sponsor does, or vice versa, a copy of that proof shall be sent to the field office and included in the program folder. The term "**Replacement Certificate**" shall be printed on the certificate.

The Certificate of Completion of Apprenticeship shall not be used for any other purpose than completion of a Registered Apprenticeship program.

AFFIRMATIVE ACTION PLAN

ADOPTED BY

**University of Nevada, Las Vegas (UNLV)
Nevada Interprofessional Health and Aging Network (NIHAN)
Geriatric Workforce Enhancement Program (GWEP)**

RAPIDS PROGRAM ID NUMBER: _____

**DEVELOPED IN COOPERATION WITH
THE NEVADA LABOR COMMISSIONER, THE NEVADA STATE
APPRENTICESHIP COUNCIL AND THE U.S. DEPARTMENT OF LABOR**

**AS REQUIRED UNDER TITLE 29, CODE OF FEDERAL REGULATIONS, PART 30 and THE
NEVADA STATE PLAN FOR EQUAL OPPORTUNITY IN APPRENTICESHIP**

SECTION 1 - INTRODUCTION

The sponsor enters this Affirmative Action Plan (AAP) in good faith to promote equality of opportunity in its registered apprenticeship program. If women and/or minorities are underutilized in the apprenticeship program, the sponsor seeks to increase the recruitment of qualified women and/or minorities for possible selection into the apprenticeship program. The sponsor hereby adopts the equal opportunity pledge located in Section II and the AAP.

This AAP is a supplement to the apprenticeship standards. Any changes made by the sponsor to the AAP will become part of this written AAP. All changes to the AAP must be submitted to the Registration Agency for approval.

SECTION 2 - EQUAL OPPORTUNITY PLEDGE - NRS 610.144 and NAC 610.540

The sponsor commits to the following equal opportunity pledge:

“The recruitment, selection, employment and training of apprentices during apprenticeship will be without discrimination because of race, color, religion, sex, sexual orientation, age, disability or national origin. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the program of apprenticeship as required under Title 29 of the Code of Federal Regulations, Part 30, and all regulations on equal opportunity of employment in the State of Nevada.”

SECTION 3 - ANALYSES AND GOALS

To ensure full utilization of minorities and women in the apprenticeship program, the sponsor will conduct analyses to determine whether minorities and/or females are being underutilized and, if they are, will establish appropriate goals for the full utilization of minorities and/or women in apprenticeship. To determine whether underutilization exists, the sponsor will analyze at least the following five factors:

- (1) The size of the working age minority and female (minority and nonminority) population in the program sponsor's labor market area.
- (2) The size of the minority and female (minority and nonminority) labor force in the program sponsor's labor market area.
- (3) The percentage of minority and female (minority and nonminority) participation as apprentices in the particular occupation as compared with the percentage of minorities and women (minority and nonminority) in the labor force in the program sponsor's labor market area.
- (4) The percentage of minority and female (minority and nonminority) participation as journeyworkers employed by the employer or employers participating in the program as compared with the percentage of minorities and women (minority and nonminority) in the sponsor's labor market area and the extent to which the sponsor should be expected to correct any deficiencies through the achievement of goals for the selection of apprentices; and

- (5) The general availability of minorities and women (minority and nonminority) with present or potential capacity for apprenticeship in the program sponsor's labor market area.

Underutilization exists if there are fewer minorities and/or women in the registered occupation(s) in the sponsor's apprenticeship program than would reasonably be expected in view of all relevant factors. If the sponsor detects underutilization of minorities and/or women in its apprenticeship program in the registered occupation(s), it will establish goals for the selection of minority and/or female applicants. (For further instructions, see the attached affirmative action plan workforce analysis worksheet.) The sponsor will make good-faith efforts to meet its goals.

SECTION 4 - OUTREACH AND POSITIVE RECRUITMENT- 29 CFR § 30.4(c) and NRS 610.144

The sponsor will undertake appropriate outreach and positive recruitment efforts that would reasonably be expected to increase minorities and women's participation in apprenticeship by expanding the opportunities of minorities and women to become eligible for apprenticeship selection. The sponsor will set forth the specific steps it intends to take under each selected effort below. The sponsor will undertake a significant number of activities to enable it to meet its obligations under 29 CFR § 30.4(c) and the Nevada State Plan for EEO.

- A. The sponsor will disseminate information concerning the nature of the apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship applications, and its equal opportunity policy to the following:
- Registration Agency
 - Women's centers
 - Local schools
 - Employment service offices
 - Other outreach programs and community organizations, including those that can effectively reach minorities and women
 - Newspapers, including those that are circulated in minority communities and among women
 - Social media outlets (Facebook, Twitter, Instagram, LinkedIn, etc.)
1. ☐ Sponsors of programs accepting applications only at specified intervals must disseminate the above information at least 30 days in advance of the earliest date for application at each interval.
2. ☒ Sponsors of programs customarily receiving applications throughout the year must disseminate the above information regularly, not less than semiannually.
- B. ☒ The sponsor will participate in annual workshops conducted by employment service agencies for the purpose of familiarizing school, employment service, and other appropriate personnel with the apprenticeship program and current opportunities.
- C. ☒ The sponsor will cooperate with local school boards and vocational educational systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into the apprenticeship program.
- D. ☒ The sponsor will communicate its equal opportunity policy internally in such a manner as to foster understanding, acceptance, and support of the policy among the sponsor's various officers, supervisors, employees, and members and to encourage such persons

to take the necessary action to aid in meeting its obligation under 29 CFR § 30 and the Nevada State Plan for EEO.

- E. ☒ The sponsor will engage in programs such as outreach for the positive recruitment and preparation of potential applicants for apprenticeships; where appropriate and feasible, such programs will provide for pretesting experience and training. In initiating and conducting these programs, the sponsor may be required to work with other sponsors and appropriate community organizations. The sponsor will also initiate programs to prepare women and encourage women to enter traditionally male programs.
- F. ☒ The sponsor will encourage the establishment and utilization of programs of pre-apprenticeship, preparatory occupational training, or others designed to afford related work experience or prepare candidates for apprenticeship. The sponsor will make appropriate provisions in its AAP to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.
- G. ☒ The sponsor will utilize journeyworkers to assist in the implementation of its AAP.
- H. ☒ The sponsor will grant advance standing or credit based on previously acquired experience, training, skills, or aptitude for all applicants equally.
- I. ☒ The sponsor will take other appropriate action to ensure that the recruitment, selection, employment, and training of apprentices during their apprenticeship will be without discrimination because of race, color, religion, national origin, or sex (e.g., general publication of apprenticeship opportunities and advantages in advertisements, industry reports, articles, etc.; use of present minority and women apprentices and journeyworkers as recruiters; career counseling; periodic auditing of AAPs and activities; and development of reasonable procedures to ensure equal employment opportunity, including reporting systems, on-site reviews, and briefing sessions).

For each item checked in Section IV, describe in detail each specific step that the sponsor will undertake to fulfill that outreach and recruitment step:

(Add pages as necessary)

SECTION 5 - ANNUAL REVIEW OF AFFIRMATIVE ACTION PLAN

The sponsor will make an annual review of its current AAP and its overall effectiveness and will institute any revisions or modifications warranted. The review will analyze the affirmative action steps (independently and collectively) taken by the sponsor to evaluate their effectiveness in ensuring equal opportunity in all aspects of apprenticeship, including recruitment, selection, employment, and training. The sponsor will continually monitor these processes in order to identify and address any barriers to equal opportunity. This may require that the sponsor identify the need for new affirmative action efforts and/or deletion of ineffective existing activities. All changes to the AAP must be submitted to the Registration Agency for approval.

SECTION 6 - OFFICIAL ADOPTION OF AFFIRMATIVE ACTION PLAN

University of Nevada, Las Vegas (UNLV) hereby officially adopts this Affirmative Action

Plan. *Sponsor(s) must designate the appropriate person(s) to sign the standards.*

Instructions for Completing This Worksheet

The purpose of this workforce analysis worksheet is to establish a benchmark against which the demographic composition of the sponsor's apprenticeship program can be compared. The sponsor must separately determine the availability of minorities and women for each occupational title represented by the program. In determining availability, the sponsor must consider, at the very least, the factors identified at 29 CFR § 30.4(e) and the Nevada State Plan for EEO in order to determine whether barriers to equal employment opportunity may exist within a particular occupational title.

Part A The sponsor information section will be prepared by the sponsor representative.

Part B Occupational information must be taken from the registered program standards and must be prepared by the sponsor representative. A workforce analysis worksheet must be completed for each occupational title identified.

Part C The sponsor must use the most current and discrete statistical data available in determining availability estimates for the labor market area specified in Part B. Census data is one example of an appropriate source of statistical information. Other sources include data from local job service offices and data from colleges and other training institutions.

For the purpose of this section, the term "labor force" is defined to include both those individuals who are employed and those who are unemployed but looking for employment. The term "working age population" means persons ages 16 years and over whether or not they are currently in the labor force or looking for employment.

Part D The program sponsor must provide current workforce data as described in Part D. If the sponsor utilizes either selection method 29 CFR § 30.5(b)(1) or (2), the data in D.2 must reflect the pool of eligible applicants from which selections are made. If the sponsor utilizes either selection method 29 CFR § 30.5(b)(3) or (4), the data in D.2 must reflect the apprentices currently registered in the program.

Part E Utilizing the data found in Parts C and D, the sponsor will determine and record whether minorities and/or women are underutilized.

Parts F&G If the sponsor's analyses determine that minorities and/or women are underutilized, the sponsor, utilizing the resource data found in Parts C and D, will establish goals that are reasonable in consideration of the results that could be expected from its good-faith efforts to make its overall affirmative action program successful.

Affirmative Action Plan – Section IV

For each item checked in Section IV, describe in detail each specific step that the sponsor will undertake to fulfill that outreach and recruitment step. (Add pages as necessary)

Checked Item: Selection from pool of current employees

- Internal Posting: Sponsor (UNLV NIHAN GWEP) will coordinate with Mission Pines HR to post the apprenticeship notice on staff bulletin boards, the HR portal, and announce at shift huddles for two consecutive weeks per cohort.
- Supervisor Referrals: Unit supervisors (all shifts) will nominate reliable staff; HR will log referrals and share the list with the sponsor.
- Priority Review: Internal applicants receive first review. Interviews are scheduled within seven calendar days with shift-friendly times.
- Readiness Screen: Brief literacy and numeracy check, attendance review, and physical-requirements acknowledgment. Quick tutoring or supports are provided as needed.
- Selection and Offers: Qualified internal candidates receive offers first; decisions are communicated in writing within ten calendar days of interview.
- EEO and Records: Sponsor ensures nondiscrimination and retains simple records of postings, referrals, applicants, interviews, selections, and demographics.

Checked Item: Alternative selection

- Saint Therese Pipeline: Maintain a standing referral list from Saint Therese Learning Institute for each cohort; confirm the list two weeks before the cohort start.
- Info Touchpoints: Conduct one monthly class visit or virtual Q&A with Saint Therese; share a one-page flyer covering roles, wage steps, dates, and application instructions.
- Direct Apply and Timelines: Saint Therese candidates submit a short application; screening decisions are made within ten calendar days and interviews scheduled promptly.
- Backfill Protocol: If internal seats are not fully filled by Week 3, remaining seats are offered to Saint Therese candidates from the current referral list.
- Diversity Focus: Track participation to meet GWEP goals (aim for 60 percent women, 40 percent URM). If goals lag, add one extra Saint Therese touchpoint and one additional internal shift-huddle announcement in that cohort.
- EEO and Records: Sponsor ensures nondiscrimination; maintain a simple spreadsheet by source (internal/Saint Therese), offers, acceptances, and demographics for good-faith documentation.

Lightweight communications and monitoring (applies to both items)

- Communications: Maintain a one-page overview used for both internal staff and Saint Therese students (roles, wage progression, key dates, contacts).
- Monitoring: HR keeps a simple tracker of postings, referrals, applicants, interviews, selections, and demographics. Sponsor and Mission Pines HR conduct a 15-minute biweekly check-in during the recruitment window.
- Timeline (per cohort): Week 1–2 internal posting and supervisor nominations; Week 3 internal interviews and selection; Week 4 backfill from Saint Therese referral list and finalize roster.

The selection of any qualification standards beyond minimum legal working age, the use of oral interviews, the notification of applicants, and the establishment of goals for the admission of minorities and women (minority and nonminority) into the pool of eligibles must proceed in accordance with the requirements of 29 CFR § 30.5(b)(1) and NAC 610.845. The method of rating is listed by each employer.

3. ☐ ***Random selection from pool of eligible applicants***

The sponsor may select apprentices from a pool of eligible applicants on a random basis. The method of random selection is subject to approval by the State Apprenticeship Council. Supervision of the random selection process shall be by an

impartial person or persons selected by the sponsor but not associated with the administration of the apprenticeship program. The time and place of the selection, and the number of apprentices to be selected, shall be announced. The place of the selection shall be open to all applicants and the public. The names of apprentices drawn by this method shall be posted immediately following the selection at the program sponsor's place of business.

4. ☒ ***Selection from pool of current employees***

The sponsor may select apprentices from an eligibility pool of the workers already employed by the program sponsor or by the sponsor's established promotion policy. The sponsor adopting this method of selecting apprentices shall establish goals for the selection of minority and female apprentices, unless the sponsor concludes, in accordance with the provisions of 29 CFR §§ 30.4(d), (e), and (f) and NAC 610.855 that it does not have deficiencies in terms of underutilization of minorities and/or women (minority and nonminority) in the apprenticeship of journeyworker occupations represented by the program.

Employer must attach an outline of their in-house selection process with their Employer Acceptance Agreement.
